Key Insights & Action Items

- Gender Strategy**
Female 53% dominates. Target via Instagram campaign — Jewelry, Fashion, Baby Products. Use lookalike audience dari female top buyers.
- Age Targeting**
Usia 25-34 = 40% revenue. FB/IG retargeting dengan konten lifestyle & convenience. Jadwalkan peak : Sabtu-Minggu.
- Income Segmentation**
Mid-income (3-7jt) = 42% basis pelanggan. Strategi: bundle deals + cicilan 0%. High-income 30% → target premium category.
- Champions Retention**
22% Champions beli rata-rata 9x. Wajib VIP program + early product access + personal voucher untuk cegah churn.
